## **STEP TWO: Local area**

### **FROM THE NORTH HEADING SOUTH:**

We live on Rt. 252, called Columbia Road to the north and called East River Road to the south, but it is always Rt 252 on the maps. We are 2.3 miles South of Rt. 82. You will see Columbia Deli on the corner of the intersection of Rt 82 and Rt 252.

Heading South on Rt. 252 from the intersection of Rt. 252 and Rt. 82, as you near our place, these are the sign posts to look for:

Columbia Hills Country Club on the right. Emmons Road sign on the right. South Farm sign on the right then Rockin' R Ranch on the right (very big field and sign). Start to slow down. Then on the right, you will see two driveways and three mailboxes. The first driveway is a horse farm. Turn into the SECOND driveway with 19322 on the mailbox. **The mailbox is RED and there is a BHUMI's sign.** (If you pass it, you will be at another large field and start downhill towards Boston Road and Medina County.)

### **FROM THE SOUTH HEADING NORTH:**

We live on Rt 252, called Columbia Road to the far north, Columbia Road to the far south, East River Road where we are, but it is always Rt 252 on the maps.

We are north of Rt 303 a few miles. Go north on Rt 252 past Grafton Rd.(blinking stop sign), past a cement factory on your right, a sign "Entering Frog Jumping Country" leaving Medina County and entering Lorain County, and past Boston Rd (on your right) Then you go uphill. At the top of the hill, slow down and after a few properties on your left, you will see a big field (our neighbors) and then three mailboxes and two driveways. Turn into the FIRST driveway with 19322 on the mailbox. **The mailbox is RED and there is a BHUMI's sign.** If you pass us, you will be at another large field with a sign "Rockin' R Ranch")

## **STEP THREE: Parking**

### **There are two parking lot areas.**

1. Drive down to the house and **BACK INTO** the green paver lot on the left (so you will be facing out to leave). If the lot is full, park facing **TOWARDS** the garage and continue in the same direction on the gravel.
2. Please do **NOT** park on any grassy areas on the garage side of the house! (The septic system is underground there).
3. If the parking by the studio/house is full, then park up by the street in the green paver lot by the entrance to the street. Again, **BACK IN** so you will be **FACING OUT** when you leave.
4. This parking arrangement makes it very easy for everyone to leave the event at the same time. Thank you.
