

YOGA NIDRA CD DESCRIPTIONS

“Yoga Nidra” literally means “Yogic Sleep”. It is an ancient form of meditation that takes you to the deepest levels of relaxation while still remaining fully aware. Addressing the root of all problems physical, mental, and energetic, it alleviates the cause of stress and awakens your inner healer. It frees you from old patterns and reconnects you to the source of your own power, changing your consciousness and your life to align with your highest truth.
